

**SUNSEEKER 68 SPORT 2017**

From our luxury offer, the Sunseeker Sport 680 performs the very successful technical and quality features while benefiting from the latest innovations.

In perfect synergy, it offers a luxury interior design with a lot of class and with all modern innovations, giving as an example the hydraulic glass door system that goes down to the floor to create an open and huge space.

It is an extremely sailor and solid ship.

The equipment with the silent stabilizers helps this yacht to have attractive and pleasant anchoring or driving characteristics.

The Sonos Entertainment HD sound system and the numerous Wattertoys promise relaxing days on board. Designed for the weekly charter, the onboard crew meets customer requirements. Just supplied by Sunseeker, the ship will be available from May 2021 in Palma de Mallorca.
